

ATTENTION WILLINGTON RESIDENTS: Did you know that right here in Hall Memorial School we have many state of the art technologies? We have smart boards in every classroom, and various technological devices. We would like YOU in the community to become more involved with our school! We feel that technology is a way of the future, and are wondering if YOU would like to learn more about all of its features. If you live in the town of Willington, please answer the following questions; they will help us serve you better. Then just drop off the survey at either school, the library, the town hall or the senior center by June 1st. Thank you so much for your time. ☺

Please circle the number that best reflects your abilities.

Comfort level with the following:	None	1	2	Some	3	4	Very	5	Would you like to learn more? yes/no
1. The surfing the internet	0	1	2	3	4	5			<input type="text"/>
2. E-mailing	0	1	2	3	4	5			<input type="text"/>
